

GRAFTON MARKET REPORT

DATE: 11/06/2019

880 Total Head Yarded

450 Export

430 Veal

Comments: Numbers increased after a week of frosts across the Valley. A big yarding of export cattle were on offer with most categories selling to a dearer trend. Unfortunately, this was not the case for the young cattle with the odd pen of prime vealers selling to 205c/kg, with most sales between 170-180c/kg. Light cattle were again very hard to shift with next to no competition.
