

GRAFTON MARKET REPORT

DATE: 19/02/2019

515 Total Head Yarded

200 Export

315 Veal

Comments: There was a slight reduction in numbers this week in a mixed quality yarding. Not all processors operated in the export section which saw a slightly downward trend. Good quality weaner steers saw a slight improvement which was quality related. Vealers sold to similar rates, while a bigger yarding of light and off quality young cattle saw little demand.
