

GRAFTON COMBINED FAT & STORE CATTLE SALE

DATE: 15/12/2020

345 x 40 Total Head Yarded

Comments: The last sale for 2020 was certainly a good one to finish the year. With well over 200ml falling across the Valley in the last couple of days, numbers were down, but competition was up.

Not all grades were represented, however all lines sold to dearer trends. After the excellent rainfall it will be interesting to see how the market opens up on January 12th. There should be plentiful grass and some good prime cattle coming forward in 2021.
