

## GRAFTON STORE CATTLE SALE

DATE: 15/10/2020

1111 x 61 Total Head Yarded

Comments: Good numbers came forward once again for Grafton's Monthly Store Cattle Sale. All categories were well represented with some very good quality cattle on offer, however there were plenty of plain condition and lightweight cattle, which is exactly what the restockers are after. The market was (believe it or not) stronger than last month with records being broken once again. Young cattle certainly were a highlight with many sales making well over 500c/kg and quite a few reaching 600c/kg.

*Please Note: Grafton Store Cattle Sales have a new start time of 9:00am*
