

GRAFTON STORE CATTLE SALE

DATE: 19/11/2020

1783 x 119 Total Head Yarded

Comments: Numbers were higher than anticipated once again for the monthly Store Sale for November. All categories were well represented, with some very good lines both quality and condition. The market was solid all the way through with some outstanding prices being achieved. Some of the highlights include heavy feeder steers making up to 440c/kg, light weaner steers to 658c/kg and quality young cows and calves to \$3,025.00 p/unit. Once again, the majority of cattle went out of the area, with competition spreading across the three Eastern States.
